ALSO Provider Course

An educational program designed to enhance cognitive and procedural skills of health care professionals to help them manage obstetrical emergencies.

This course is directed primarily toward maternity care providers including physicians, nurses, and certified nurse midwives.

Overall Course Objectives

1. Discuss methods of managing pregnancy and birth urgencies and emergencies, which standardizes the skills of practicing maternity care providers.
2. Demonstrate content and skill acquisition as evidenced by successful completion of online course examination, skills workstations, and group testing stations.

Detailed educational objectives are listed at the beginning of each ALSO Provider Manual chapter.

Accreditation

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

The American Academy of Family Physicians is approved as a provider of continuing nursing education by the Kansas State Board of Nursing. This course offering is approved for ___ contact hours applicable for RN, LPN, or LMHT relicensure. Kansas State Board of Nursing Provider Number; LT0278-0312. This is an advanced level course and may not be suitable for all general continuing nursing education.

MAINTENANCE OF CERTIFICATION (MOC)
The American Board of Obstetrics and Gynecology (ABOG) MOC standards now allow participation in ABOG-approved Simulation Courses to meet the annual Improvement in Medical Practice (Part IV) MOC requirement. This course has been approved to meet ABOG Improvement in Medical Practice requirements for 2016-2018. Please review the 2016 MOC Bulletin at www.abog.org/bulletins/MOC2016.pdf for further information.

Course Disclaimer

The material presented at this course is being made available by the American Academy of Family Physicians for educational purposes only. This material is not intended to represent the only, nor necessarily the best, methods or procedures appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement, or opinion of the instructors which may be helpful to others who face similar situations.

The AAFP disclaims any and all liability for injury, or other damages, resulting to any individual attending this course and for all claims which may arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician, or any other person.

Every effort has been made to assure the accuracy of the data presented at this course. Physicians may care to check specific details, such as drug doses and contraindications, etc., in standard sources prior to clinical application.

This Course has been determined to be a Level 2 classification under the AMA PRA Credit and Classification Guidelines. The AAFP does not certify competence upon completion of the ALSO Provider Course, nor does it intend this course to serve as a basis for requesting new or expanded privileges.

At the completion of this course and upon receipt of the sponsor's post-course materials, ALSO staff will create letters of participation for all learners. Wallet cards will be included on the letters for those who successfully complete both online post-test and hands-on skill workstations (scoring at least 80% on each). These letters will be distributed to learners by the course sponsor.

Registration

Due to a limited enrollment of 60 participants, advanced registration is encouraged. All registrations received on or before **August 10, 2017** will be confirmed by mail, and it will include a confirmation letter, a map showing the conference location and parking.
