Conference Description
The 1st Annual ACCESS to Critical Cerebral Emergency Support Services (ACCESS) and Telemedicine Conference will enable participants to review best practices and discuss the benefits and challenges of providing timely access to neuro-emergent specialty care. The goals of the ACCESS program are to help reduce costly (and decreasing) preventable transfers and increasing staff’s comfort level with neurologic care management through telemedicine consultation, education and process support. Topics will include:

- The 1st Annual ACCESS and Telemedicine Conference - “New Frontiers 2016”
- Easter Sunday, March 19, 2016
- Embassy Suites Hotel, Albuquerque, New Mexico
- ACS NSQIP Updates
- Panel Discussion
- 100% Guaranteed?
- Who Should Attend

Who Should Attend
The conference will be appropriate and recommended for emergency medical services, emergency medicine physicians, nurses, nurse practitioners, physician’s assistants, critical care clinicians and hospitalists.

Objectives
At the conclusion of the conference, participants should be able to:

1. Identify current and future applications in accessing expert neurologic consultation in the rural setting.
2. Discuss the benefits and challenges of providing timely access to neuro-emergent specialty care through telemedicine consultation, education and process support.
3. Discuss the importance of the ACCESS and Telemedicine Programs key goal in providing better healthcare by overcoming disparities in access to care throughout New Mexico.

Who Should Attend
The conference is intended for all members of the healthcare team who want to provide better care by overcoming disparities in access to care.

Who Should Attend
The conference is intended for all members of the healthcare team who want to provide better care by overcoming disparities in access to care.

Registration
Advance registration is encouraged. Please register early to avoid disappointment. Minimum and maximum registration numbers have been established for this conference.
All pre-registration requests must be accompanied with payment before confirmations are sent. Payment must be made to the UNM CME. Please mail to UNM Continuing Medical Education & Professional Development, MSC073, 1 University of New Mexico, Albuquerque, NM 87131-0001.

UNM Tuition Remission
All eligible UNM Faculty and Staff may earn using a UNM Tuition Remission (waiver) to cover tuition costs on the registration form. Properly completed remissions must be included in the conference materials and must be submitted by the participant. No remission will be issued for non-attendance. It can be found here: http://som.unm.edu/cmeform.html.

Cancellations
If you pre-register and cannot attend, Continuing Medical Education & Professional Development, 1500 Goddard NW, Ste. 440, via a $50.00 administrative fee, provided you request a refund in writing on or before March 14, 2016. No refunds will be issued after this date for non-attendance.

How to Register
• Online at: http://som.unm.edu/cme
• For registrations postmarked 3/4/16 or before: (505) 272-4004
• Mail registration to: University of New Mexico Continuing Medical Education & Professional Development, MSC073, 1 University of New Mexico, Albuquerque, NM 87131-0001.

Contact Information
This conference will be held at the Embassy Suites Hotel, 1000 Woodward Pl. NE, Albuquerque, NM 87106. (505) 272-4100.
A block of rooms has been reserved for participants of this conference for the nights of March 17 - 18, 2016. Special rates are available in your reservation. Please make your room reservations by March 3, 2016.
To make room reservations, participants should contact the Embassy Suites hotel directly at (505) 245-1700 to go on the UNM reservation list and book the room in the hotel. Please visit the UNM CME website at: http://som.unm.edu/cme/ to view the list of hotels participating in this conference.
