CONFERENCE DESCRIPTION
The 26th Annual Amazing Newborns Conference titled Critical Care Series and Danell presents the opportunity for neonatal care givers to learn about advanced topics ranging from medical research to identifying and responding to emergent situations. This conference will also host the first Annual New Mexico Neonatal Consortium, a collaborative project that brings the ideas and resources of neonatal caregivers to learn about conditions ranging from neonatal infection risk to identifying and responding to surgical emergencies. This year’s conference will feature renowned experts in the field of Neonatology, critical care, respiratory therapy, and all members of the care team together to help improve the healthcare of all babies born in New Mexico.

CONFEREE OBJECTIVES
At the conclusion of this conference, the participant should be able to:
1. Apply concepts of infection recognition and treatment to clinical practice.
2. Summarize what the medical community can do to protect neonates from harm due to prevent proper resuscitation.
3. Identify what represents a surgical emergency and the common treatment for stabilizing a neonate prior to surgical intervention.

PLANNING COMMITTEE
Chair
Tina DuPont, PhD
Associate Professor
Department of Pediatrics, Division of Neonatology
University of New Mexico Health Sciences Center
Co-Chairs
Vladimir Smekal, MD, FAAP
Pediatric Infectious Diseases, Neonatal/Perinatal Medicine
University of New Mexico Health Sciences Center
Jane Gerdes, MD
Pediatric Cardiology, University of New Mexico Health Sciences Center

Secretaries
Annemarie Quon
University of New Mexico Health Sciences Center

Program Chair
Tara DuPont, MD
University of New Mexico Health Sciences Center

Conference Manager
Cindy Thompson, RN, CCM
University of New Mexico Health Sciences Center

At the conclusion of this conference, the participant should be able to:

1. Apply concepts of infection recognition and treatment in the neonatal period.
2. Summarize what the medical community can do to help protect neonates from harm through parent education and proper reporting of suspected abuse.
3. Identify what represents a surgical emergency and the common treatment for stabilizing a neonate prior to surgical intervention.

CONFERENCE DESCRIPTION

The 26th Annual Amazing Newborns Conference, titled Critical Care: Today and Tomorrow presents the opportunity for neonatal caregivers to learn about advances ranging from new tools in identifying and responding to emerging infections to the implementation of collaborative projects that bring the best ideas of Neonatologists, critical care nurses, respiratory therapy, and all members of the care team together to help improve the healthcare of all babies born in New Mexico.

SPEAKERS

Guest Speakers

Joseph R. Cantey, MD
Pediatric Intensive Care, Neonatal-Perinatal Medicine, University of Texas Southwestern Medical Center

Leslie Strickler, DO
Pediatric Intensive Care, Neonatal-Perinatal Medicine, University of Texas Southwestern Medical Center

Jason Wilson, MD
Pediatric Intensive Care, Neonatal-Perinatal Medicine, University of Texas Southwestern Medical Center

Kimberly Foster, MD
Pediatric Intensive Care, Neonatal-Perinatal Medicine, University of Texas Southwestern Medical Center

CONTRACTS

Comprehensive Neonatal Care (CNCS) and the Quality Collaborative Consortium (QCC) provide Case Management and Care Coordination for the NICU Developmental Therapies.

Scheduling: 8:00-16:00 on November 2 and 3

Registration and Continental Breakfast: 7:00-8:00 am

Lunch: 11:00-11:15 am

Lunch provided by: Exhibitor Open

Lunch: 12:00-1:15 pm

Lunch provided by: Exhibitor Open

Lunch: 1:30-2:00 pm

Lunch provided by: Exhibitor Open

Lunch: 2:45-3:45 pm

Lunch provided by: Exhibitor Open

Lunch: 4:00-5:00 pm

Registration and Continental Breakfast: 7:00-8:00 am

Helping Babies Breathe

The American Academy of Pediatrics (AAP) in collaboration with the University of New Mexico’s Amazing Newborns Conference is offering a Helping Babies Breathe (HBB) Master Trainer course November 4-5, 2017. HBB is an evidence-based educational program to teach neonatal resuscitation techniques in resource-limited countries. It is an initiative of the AAP in collaboration with the World Health Organization, USAID, and a number of other global health partners. HBB teaches the initial steps of neonatal resuscitation to give a quick start to many babies who struggle to breathe at birth. HBB has been shown to reduce neonatal mortality by up to 47% and fresh stillbirths by 24%. This 1.5 day course will equip participants with the skills necessary to teach the training curriculum to birth attendants in resource-limited countries. For more information and to register visit tinyurl.com/1z4976w.
Continuing Pharmacy Education Application for approval has been submitted for Continuing Pharmacy Education credit through the University of New Mexico, College of Pharmacy, accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider.

Case Manager
This program has been submitted to The Commission for Case Manager Certification for approval to provide board certified case managers with 12.50 clock hour(s).

Respiratory Therapist
Application has been made to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists.

ATTIRE
Since meeting room temperatures and personal comfort levels vary, it is recommended that you bring a sweater or jacket to this educational activity.

HOTEL ACCOMMODATIONS
This conference will be held at the Hotel Albuquerque at Old Town. A block of rooms has been reserved for participants for the nights of November 1 – 3, 2017. Special rates are available to you if you make your room reservations before October 11, 2017. Rates will not be changed at check in or check out time for attendees who fail to identify their affiliation with this meeting at the time of registration. All reservations must be guaranteed by a major credit card, a first night’s deposit plus tax. Check-in time is 3:00 pm and check-out time is 12:00 pm.

TO MAKE ROOM RESERVATIONS, PARTICIPANTS SHOULD CONTACT THE HOTEL DIRECTLY AT: Hotel Albuquerque at Old Town, 300 Rio Grande Blvd., NW, Albuquerque, NM 87104 (505) 272-8600. Credit cards are accepted. A $25.00 per night deposit will be charged on all reservations. Reservations will not be guaranteed without a credit card number. Reservations can be extended as space is available to you if you make your room reservations by Wednesday, October 11, 2017. Rates will not be changed at check in or check out time for attendees who fail to identify their affiliation with this meeting at the time of registration. All reservations must be guaranteed by a major credit card, a first night’s deposit plus tax. Check-in time is 3:00 pm and check-out time is 12:00 pm.

HELPING BABIES BREATHE
The American Academy of Pediatrics (AAP) in conjunction with the University of New Mexico’s Amazing Newborns Conference is offering a Helping Babies Breathe (HBB) Master Trainer course November 4-5, 2017. HBB is an evidence-based educational program to teach neonatal resuscitation techniques in resource-limited countries. It is an initiative of the AAP in collaboration with the World Health Organization, USAID, and a number of other global health partners. HBB teaches the initial steps of neonatal resuscitation to give a much better start to many babies who struggle to breathe at birth. HBB has been shown to reduce neonatal mortality by up to 47% and stillbirth rates by 24%. This 1.5 day course will equip participants with the skills necessary to teach the lifesaving curriculum to birth attendants in resource-limited countries. For more information and to register visit hbs.aap.org/courses.
